

OFFICE OF GENERAL COUNSEL
Division of Operations-Management

MEMORANDUM OM 13-57

June 24, 2013

To: All Regional Directors, Officers-in-Charge
and Resident Officers

From: Anne Purcell, Associate General Counsel

Subject: Double Paneled Notices

The current fleet of copiers will soon be replaced by Ricoh copiers in the 4002 and 5002 series. Deployment of the new copiers will begin later this month and continue through August. Because these copiers do not print double paneled notices, the Agency's double paneled notices will be replaced by two 8 ½" by 14" sheets, labeled "Panel 1 of 2" and "Panel 2 of 2". In cases requiring the posting of a double paneled notice, the party will be asked to post the panels side by side as if they are one document. This change will affect the notice posting requirement in UD cases involving manual ballot elections and at the compliance stage of some unfair labor practice cases. Regions may continue to use the double paneled forms until the arrival of the Ricoh copier in their office.

The new single panel forms will be sent to each Regional, Subregional and Resident Office. The NxGen templates for the initial compliance letters and the letter that accompanies Notices of Election will be modified to include optional text that can be selected to explain the above notice posting instructions when double paneled notices are being used. A list of the double-paneled notices that will be affected by this change is attached.

If you have any questions regarding the above, please contact your AGC or Deputy.
